Dear Sir:

Response to Office Action

This letter is in response to the Examiner's Office
Action of January 18, 2007.

Election

The Examiner has issued a Restriction requirement under
35 USC 121 and 372. With traverse, the applicant elects the
claims of Group II, namely:

2, 10(2), 11/10/2, 12/10/2, 15 - 20, and 22 - 24,

drawn to the combination of an electrode and amplifier circuit.

The applicant traverses this requirement because the
Examiner's statement that the electrode in Group II is broadly
recited and the electrode of Group I is specifically set forth
